VET Info

Students selecting a VCE Course may select a VET certificate to contribute toward the completion of their VCE.

Students selecting VCE-VM MUST select a VET certificate to contribute toward the completion of their VCE-VM.

VET Info

These are the VET courses that are commonly offered locally. Other VET courses are available but may require transport. See Lynn Grabham for more information.

External VET courses may require parents to organise transport.

A bus may cost \$6 per day and will run to and from AGA Korumburra Campus within school hours from LSC.

All VET courses (with the exception of VET Sport and Recreation) are run on a single day per week external to the College. Students must take responsibility for keeping up to date with work across all subjects.
